About the Company

EMPOWERING PEOPLE TO SNACK RIGHT

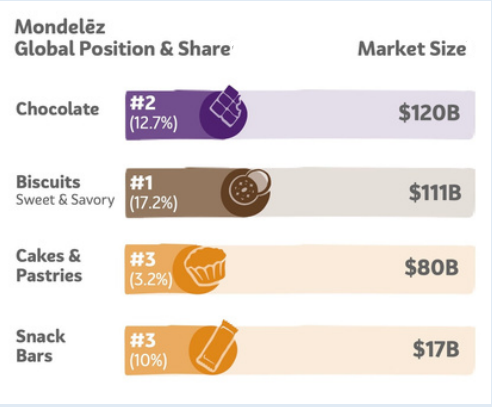

- Mondelēz International is a young company (founded October 1, 2012); it was built on the foundation of several predecessor companies, most of which date back over 100 years. Headquarters is located in Chicago, Illinois, US.

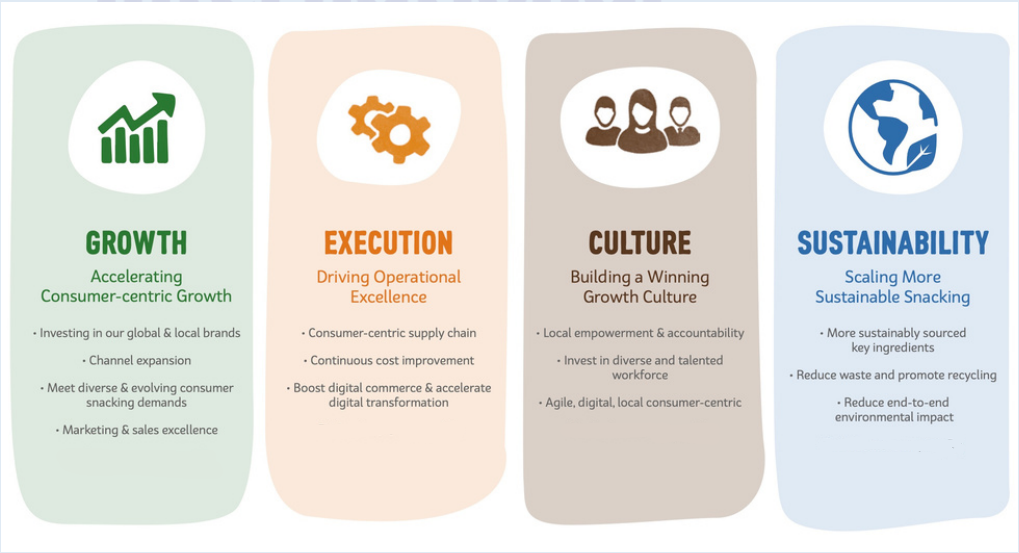

- Mondelēz International empowers people to snack right in over 150 countries worldwide. We're leading the future of snacking with iconic global and local brands such as Oreo, Ritz, LU, Clif Bar, Tate's Bake Shop biscuits and baked snacks, and Cadbury Dairy Milk, Milka and Toblerone chocolate.

- We are one of the largest snack companies in the world, with global net revenues of approximately $31.5 billion in 2022. We hold the #1 global position in biscuits (cookies and crackers) and #2 in chocolate, while we're growing rapidly in baked snacks. We also make and sell gum and candy, as well as various cheese, grocery, and powdered beverage products in certain markets.

- We have operations in more than 80 countries and employ approximately 91,000 diverse and talented employees in our factories, offices, research and development facilities and distribution activities around the world.

Financial Analysis

Net Operating Revenue

- In 2023, Mondelez International's global net revenue amounted to about 37.18 billion U.S. dollars. Mondelez International is one of the largest global companies operating in the snack business. The net operating revenue has steadily increased since 2018.

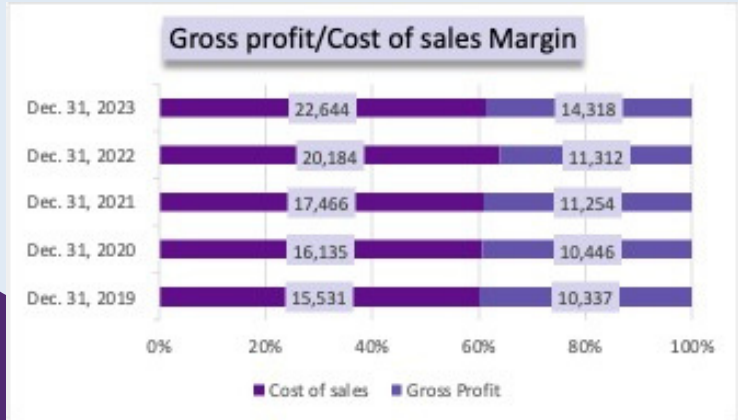

Cost of Goods and Service Sold

- The cost of goods and services sold increased from $15.5 billion in 2019 to $22.6 billion in 2023. The cost of goods sold is also projected to increase over the years, indicating the company's anticipation of higher production costs.

Gross Profit

- Gross profit, which is the difference between revenue and the cost of goods sold, increased from $10.3 billion in 2019 to $14.3 billion in 2023. The increase in gross profit indicates that the company was able to maintain or improve its profitability. Gross profit is expected to rise steadily, reaching $18.7 billion by the end of 2027

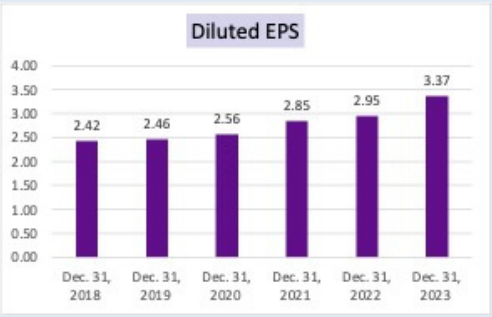

Financial Analysis

Operating Income

- Operating income increased from $4.2 billion in 2019 to $6.2 billion in 2022. This shows that the company's operating activities generated higher income in 2019. Operating income is projected to increase over the forecasted years, reaching $8.06 billion by 2027. The company expects growth in income from its core operations.

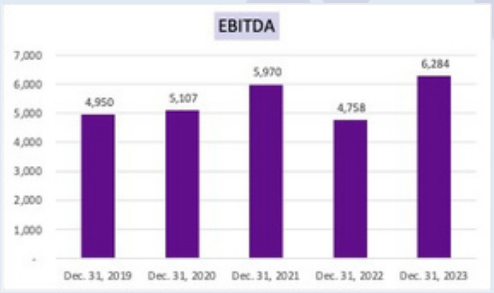

Net Income

- Net income increased from $3.9 billion in 2019 to $4.3 billion in 2021. This indicates that after accounting for taxes and other expenses, the company's bottom line profit also grew till 2021. In 2022, the company's net income dipped due to external factors (Russia – Ukraine war). The net income recovered again in 2023 to $5.2 billion. Net income is expected to continue growing, reaching $5.8 billion by the end of 2027.

EBIT (Earnings Before Interest and Tax)

- EBIT increased from $4.9 billion in 2019 to $6.3 billion in 2023. The company's earnings before taxes also improved. EBT is expected to continue growing, reaching $8.6 billion by the end of 2027.

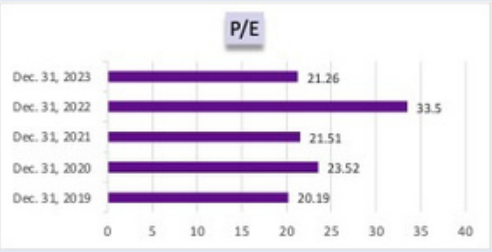

Financial Analysis:

Price/Earnings Ratio

- The P/E ratio has been fluctuating but generally remained in a moderate range. The P/E ratio was greater than 20 since 2019.

EV/EBIT

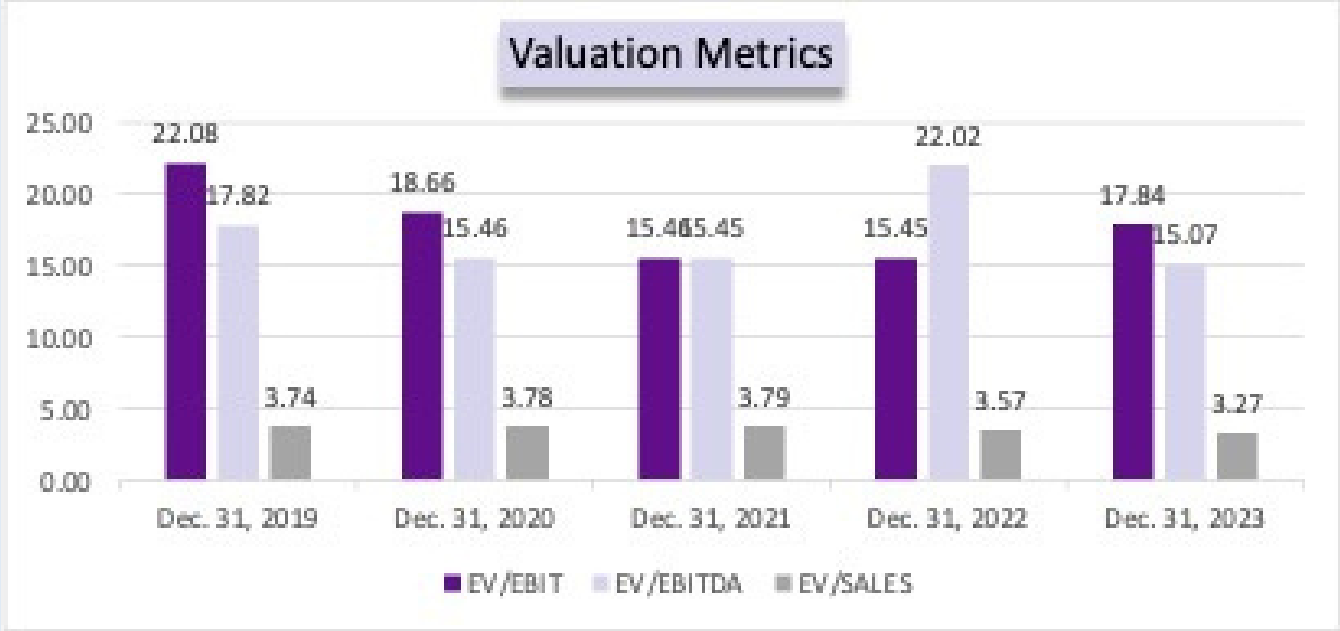

- EV/EBIT has shown a slight decrease from 2019 to 2022. In 2023, it has slightly increased to 17.8%. This could suggest that Mondelez company is more financially stable.

EV/EBITDA

- EV/EBITDA has been fluctuating since 2019. In 2022, the company overvalued its share price. Again, in 2023, EV/EBITDA decreased to 15.07%.

EV/Sales

- EV/SALES have been decreasing but generally stayed within a stable range. The EV/Sales ratio has constantly been above 3%.

Summary

In summary, the historical data shows that from 2019 to 2023, there was significant revenue growth and increased profitability. According to the anticipated statistics, Mondelez expects its sales and profits to continue growing throughout the projected timeframe, showing that the firm has high hopes for its performance going forward. These financial data show that Mondelez is a reputable and secure business. According to the valuation criteria (P/E, EV/EBIT, EV/EBITDA, and EV/SALES), the market has consistently valued Mondelez's shares and financial results fairly. Acknowledging that these forecasts are susceptible to many causes and uncertainties is essential. As such, they must be regarded as estimates rather than promises of the future.
